Cochise County, subject to the will of the voters at the Democratic primary election on September 7th.
W. P. SIMS.
Bisbee, Arizona.

FOR COUNTY SUPERVISOR
I hereby announce myself a candidate for supervisor of Cochise County from the Douglas district. If nominated and elected, I promise an impartial, progressive yet economical administration of the office, and on this basis respectfully solicit the support of Democratic voters at the primary in September.
JOHN E. NEWBURY.

FOR COUNTY ASSESSOR
I hereby announce myself as a candidate for the office of county assessor of Cochise County, subject to the Democratic primary election. I have had six years experience in this office as chief deputy and urge my knowledge of the duties of the office as a reason for asking your support.
WALTER THOMAS.

FOR SHERIFF
I hereby announce my candidacy for the nomination for the office of sheriff of Cochise County, subject to the action of the Republican voters at the primary on September 7, 1920. I am a native Arizonan and have lived in this county for 20 years. If elected I will discharge the duties of the office with fairness to all.
JOE HOOD.

FOR STATE SENATOR
I hereby announce myself a candidate for the office of State Senator from Cochise County, subject to the action of the Republican Party, at the primaries to be held September 7, 1920.
J. P. CULL.
Douglas, Arizona.

FOR U. S. SENATOR
I announce that I am a candidate for the office of United States Senator for Arizona.
R. C. STANFORD.
Phoenix, Arizona.

FOR CORPORATION COMMISSIONER
I take this opportunity to announce to the electorate that I will be a candidate for the office of Corporation Commissioner at the ensuing general election, provided the voters at the Democratic primary.
T. D. CASHEL.
Phoenix, Arizona.

FOR JUDGE OF THE SUPREME COURT
I hereby announce myself as a candidate for the nomination for Judge of the Supreme Court, subject to the action of the voters at the Democratic primary in September.
A. G. MCMASTER.
Safford, Arizona.

SUPERINTENDENT OF SCHOOLS
I hereby announce myself as a candidate for state superintendent of schools subject to the endorsement of the democrats at the ensuing primary election. Respectfully,
A. C. PETERSON.
Thatcher, Graham County.

FOUR CITIES IN DE MILLE AIR ROUTING
LOS ANGELES, Aug. 28.—An opportunity for the mail carrying airplane is proposed, with Los Angeles as the central point, soon after the beginning of the transcontinental delivery of mail from New York to San Francisco and back again, on or about September 1, it became known here today.

At that time contracts will be let for the delivery of first class mail from the city of San Francisco, and east of the mile will be an active bidder for the work, it was stated. According to the program of Mr. DeMille he will not only carry mail, but passengers, from Los Angeles to San Francisco and return, but will establish routes for the same purpose between this city, San Diego, Tucson, Salt Lake City and other points. He will purchase five of the big Larsen machines and embark in the business on a large scale. So far there has been no contract for the delivery of the mail.

RAIN DAMAGES COURT HOUSE
YUMA, Aug. 27.—The rain of Tuesday did considerable damage to the courthouse. The gutters became stepped up shortly after the rain commenced and a large pool on the roof of the building as deep in places as two feet. The water ran through the roof and damaged the walls of the attorney's office, the walls of the court room and the Judge's Chamber and the walls of the office of the clerk of the board of supervisors. As the walls had only recently been tinted the rain has left an ugly water mark.

Cataract Deafness Cannot Be Cured
By local applications, as they cannot reach the inner ear. There is only one way to cure cataract deafness, and that is by constitutional remedy. Cataract Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube is inflamed you have a running sound or imperfect hearing, and when it is cured, deafness is the result. Unless this inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by cataract, which is an inflamed condition of the mucous surface. Hall's Cataract Cure acts thru the blood on the mucous surface of the system.

We will give One Hundred Dollars for any case of Cataract Deafness that cannot be cured by Hall's Cataract Cure. Circulars free. All Druggists.
—F. J. CHENEY & CO., Toledo, O.

SELECT GROUND FOR LABOR DAY ROAD MEETING

BISBEE, Aug. 28.—The site for the celebration of the completion of the Douglas-Bisbee highway at Forest Station on Labor Day was selected yesterday at a meeting at that place between George B. Winfrey and Tom Exan, representing the Bisbee committee, and Ely Martin and others representing the Douglas committee. Arrangements were made with S. J. Smyth, county engineer, for roping off 300 feet of the highway and providing a detour for vehicles so that the place may be used for dancing. A space will be cleared for a speakers stand and for refreshment and amusement concessions will be erected there.

A feature of the celebration will be a bicycle race between the cyclists of Bisbee and Douglas. The racers will start on the rise this side of Forest Station and the finish will be at the celebration grounds. The race is creating much interest and many riders of both sides already have signified their intention of entering. Valuable prizes will be offered for all events.

Motor cars will leave Bisbee and Douglas at 4 o'clock in the afternoon and will meet at Forest Station. Artists who have room in their cars will take those who have no cars and in this way it is expected that all who care to make the trip may go. There is some rivalry between Bisbee and Douglas as to which will send the largest delegation.

Douglas has announced that Judge Fletcher M. Ryan will be the Douglas speaker at the celebration. The Bisbee speaker has not yet been announced.

MAKES ESCAPE WHILE ON WAY TO FORT GRANT
PHOENIX, Aug. 28.—When Harry Menden, juvenile court deputy sheriff, became engrossed in a political conversation with a police from California last Sunday on a train between Maricopa and Tucson, one of the State juvenile prisoners the young deputy was taking to the industrial school at Fort Grant made his escape.

The three were handcuffed together and he and his prisoners occupied the rear seats on one side of the observation car. Shortly after the train left Maricopa the judge from California entered the car. All the seats were taken.

Sitting the deputy man standing, Mr. Menden at once removed the handcuffs from Herbert Crawford, one of the boys, and gave him seat to the judge. Herbert took a stand near the door. Police at once became the target of the day and the prisoners were liberated. Two minutes later the young deputy missed Herbert.

At Tucson he notified the officers to be on the watch for the missing boy. After placing the other two prisoners in the school at Fort Grant, Deputy Menden returned to Tucson but found his trace of Herbert. At Maricopa he learned that a boy answering his description had tried to take a horse. A short distance down the track he found Herbert resting. Herbert said he had gone to the observation platform of the car, lifted the trap door over the steps and hung on the steps until the train reached Tucson. He then dropped to the ground, caught a freight back and had intended going to California, he told the officer.

DR. VON KLEINSMIDT NAMED U. S. ADVISOR OF MEXICAN EDUCATION
TUCSON, Aug. 28.—Dr. R. B. Von Kleinsmidt, president of the University of Arizona, has been appointed American advisor on the Mexican education commission and has been invited by President de la Huerta to visit Mexico City in the near future. Dr. Von Kleinsmidt expects to leave during the early part of September.

CIVIL WAR VETERAN IS ACCIDENT VICTIM
LOS ANGELES, Aug. 21.—Captain George Norton, Civil war veteran, was instantly killed today at Lorraine, Ohio, when struck by an electric car. With Mrs. Norton he arrived yesterday to attend the annual reunion of the 103rd Ohio Volunteer Infantry. Captain Norton formerly lived in Phoenix.

SAN PEDRO DIRECTORS ORGANIZE FOR ACTIVE WORK

ST. DAVID, Aug. 27.—The newly elected board of directors, recently qualified by the board of supervisors, following their election along with the approval of the organization of the San Pedro Irrigation District, met here yesterday and perfected a permanent organization, laid plans and adopted a policy for the immediate construction of the Charleston Dam.

The following announcement issued by the board after the meeting yesterday, explains what was done and what is expected to be accomplished: "Directors Lorenzo Wright, A. G. Smith, and Joseph N. Curtis, Jr., met August 25th and organized as a board, electing Lorenzo Wright, president, and L. Earl Mattison, secretary.

"Engineer W. R. Elliott was retained and given contract to make soundings, survey of reservoir, and completed drawings together with estimates of cost of the Charleston Dam; also a complete map of irrigable and non-irrigable lands together with survey of diversion dam and necessary canals in fact a complete plan and map of the project incident to the bond election.

"The board expressed themselves as favoring the hiring of local labor for the engineering work, and construction work, and the fact to be 100 per cent in favor of getting the total amount of money from local resources and in turn keeping the money in circulation here, in the county and state.

"Consulting Engineer Elliott will hasten all surveys incident to the bond issue and hopes to have maps and estimates ready by February 1st, next to which time construction on the project can begin.

"This irrigation system when completed will reclaim between 30,000 and 40,000 acres of fertile land in the San Pedro valley, where the opportunities for future homes are now a reality.

"With a maximum heat of 104 degrees only a few hours in a season, an average of 16 degrees for the season and the lowest winter temperature at 15 degrees, arid water plentiful for domestic purposes over the entire valley and the best markets in the world right at our doors and the Butterfield Railroad high way running the entire length of the project, across the valley a promise that is not found elsewhere in the state of Arizona and not a few places in the great west."

WESTERN UNION SAYS COMPANY EARNS BUT \$489 IN ARIZONA
PHOENIX, Aug. 27.—That the net profit of the Western Union in Arizona for 1919 was only \$489 is the claim made by the company for the company in an affidavit filed today with the Arizona Corporation Commission. This figure does not agree with the earnings reported at a recent hearing when it was shown that the value of the interstate business was something between \$50,000 and \$100,000.

The company is attempting to raise the rates on all business between Arizona points twenty per cent, and in applying for the increase submits several pages of confusing tabulations in support of the general contention that the company is making a very meagre amount of its Arizona business, and that it is forced to continue on this basis, the service must necessarily deteriorate. The value of the plant and working equipment in Arizona is placed at \$131,800 by the company, and with the net income placed at \$4,189 the percentage of return is 3.2 per cent.

NEW CORNELIA PAY 25 CENTS SHARE DIVIDEND
The third dividend of the New Cornelia Consolidated Copper company declared on August 23 was paid to stockholders on record of August 6, yesterday through checks from Calumet, Mich.

The dividend was of 25 cents per share, making a total of fifty cents, per share paid out already this year. The second dividend being paid about four months ago.

The two dividends indicate that the stock is now on a regular paying basis, the investment having already been paid back into the company.

FLIER DARES DEATH IN PARACHUTE DROP
NOGALES, Aug. 27.—Hurling through space 4000 feet with nothing between him and death save a slender parachute, Sergeant D. W. Dwyer of the Twelfth Aero squadron this morning made the second successful test of the Parker chute achieved in Nogales within two weeks.

Between 9 and 10 o'clock Sergeant Dwyer was taken into the clouds in an army plane piloted by Lieut. R. D. Knapp, adjutant of the squadron. The ascent was made from the aviation field near Camp Stephen D. Little.

NATIONAL PROBLEM
PHOENIX, Aug. 25.—The Apache trail problem is in a way a national problem, or part of one in which other great highway projects partake and will not be properly solved until national intelligence separates itself from bureaucratic control whereby such projects are held in check.

CALLS APACHE TRAIN
PHOENIX, Aug. 25.—The Apache trail problem is in a way a national problem, or part of one in which other great highway projects partake and will not be properly solved until national intelligence separates itself from bureaucratic control whereby such projects are held in check.

EXTRADITE CALIFORNIAN
PHOENIX, Aug. 28.—Extradition papers were issued today for the extradition of California of Domingo Gays, under arrest at El Paso, Arizona, held by authorities of Los Angeles. According to the requisition, Gays is wanted in connection with the murder of John N. Mann, deputy marshal of Butte, who was shot in an encounter with three men.

FORM STATE LEAGUE
GLOBE, Aug. 27.—The Arizona state baseball league will open a series of twelve games tomorrow with Globe playing Miami at Globe and Ray and Superior at Ray. This is a newly organized league and all teams have been strengthened by new players from other clubs in the state and from the coast.

EXTRADITE CALIFORNIAN
PHOENIX, Aug. 28.—Extradition papers were issued today for the extradition of California of Domingo Gays, under arrest at El Paso, Arizona, held by authorities of Los Angeles. According to the requisition, Gays is wanted in connection with the murder of John N. Mann, deputy marshal of Butte, who was shot in an encounter with three men.
